
ELYSE J THULIN, MSc PhD*2

(e) ethulin@umich.edu | (w) elysethulin.github.io

EDUCATION

PhD Doctor of Philosophy, Health Behavior Health Education	2022
University of Michigan School of Public Health, Ann Arbor, MI	
Dissertation: <i>Electronic Dating Violence in Adolescence: Trajectories, Implications for Depressive Symptoms and Delinquency, and Identifying Events and Behaviors that are Most Predictive of EDV Engagement</i>	
<u>Dissertation Co-Chairs:</u> Marc Zimmerman & Justin Heinze	
PhD Doctor of Philosophy, Scientific Computing	2022
University of Michigan, Rackham Graduate School, Ann Arbor, MI	
Focal Area: Application of absolute shrinkage and selection operator to identify features most associated with cyber dating violence.	
Master of Science, Global Health	2016
Duke University Global Health Institute, Durham, North Carolina	
Bachelor of Arts, Psychology and Anthropology	2013
Johns Hopkins University, Baltimore, Maryland	

HONORS AND AWARDS

NIMH Child Intervention, Prevention, and Services Fellow	2025
National Institute of Mental Health Division of Services and Intervention Research, National Institutes of Health	
NIH Matilda White Riley Behavioral Social Science Early-Stage Investigator Paper Award	2024
Office of Behavioral and Social Sciences Research, National Institutes of Health	
Best Rapid-fire Presentation by a Trainee	2023
Promoting Research in Social Media and Health Symposium (PRISM), University of California San Francisco	
Research Society on Alcoholism Junior Investigator Meeting Award	2023
2023 RSA Scientific Meeting	
Best Trainee Poster Award	2022
Promoting Research in Social Media and Health Symposium (PRISM), University of California San Francisco	
Doctoral Merit Fellowship	2018-2022
Rackham Graduate School, University of Michigan	
Outstanding Collaborator Nomination	2020
Health Behavior & Health Education, University of Michigan	
Conference Travel Award	2020
Rackham Graduate School, University of Michigan	

Conference Travel Award Health Behavior Health Education, University of Michigan	2020
Susan B. Meister Award for Best Paper in Child Health Policy Susan B. Meister Child Health Evaluation and Research Center, University of Michigan	2019
Student Membership Award Safe States Alliance	2019
Triumph Over Adversity Award Rackham Graduate School, University of Michigan	2019
MSc Merit Scholarship Duke Global Health Institute, Duke University	2014-2016
Soroptomist “Live your Dreams” Scholar Violet Richardson Award, Jackson, Wyoming	2009
C.C. Mosely 4-H Scholar Jackson, Wyoming	2009

ACADEMIC APPOINTMENTS

Research Assistant Professor Institute for Firearm Injury Prevention, University of Michigan	2023-present
Research Assistant Professor Health Behavior Health Education, School of Public Health, University of Michigan	2024-present
Faculty Affiliate Research Center for Group Dynamics, Institute for Social Research, University of Michigan	2024-present
Adjunct Lecturer Health Behavior Health Education, School of Public Health, University of Michigan	2023
Data Science Postdoctoral Fellow Michigan Institute for Data Science, University of Michigan	2022-2023
Postdoctoral Fellow of Addiction Science Psychiatry, Michigan Medicine	2022-2023

GRANTS/RESEARCH FUNDING

Funded

Prevalence and Outcomes of Substance-Use-Related Tips in a Statewide Student Anonymous Reporting System	2025-2026 \$11,000
Pediatric Research Loan Repayment Program [LRP] National Institute for Drug Abuse Role: PI	
Evaluating firearm tips submitted to a statewide anonymous reporting system: an application of large language models John Mohme Foundation Role: PI	2025 \$75,000
Characterizing community and collective firearm homicides among the Puerto Rican population University of Michigan Role: MPI (Contact MPI: Mezuk)	2025 \$50,000
Rigorous examination of anonymous reporting system data to prevent youth suicide and firearm violence: an applied natural language approach [R01] Center for Disease Control Role: MPI (Contact MPI: Heinze)	2023-2025 \$700,000

Themes of cannabis use behavior change and concomitant suicidality Research in Emerging Areas Critical to Human Health Loan Repayment Program [LRP] National Institute for Drug Abuse Role: PI	2023-2025 \$26,000
Barriers and facilitators to adolescent use of technology-facilitated reporting systems Institute for Research on Women and Gender Role: PI	2024 \$10,000
Supplemental Funds to Support Student Research UM Undergraduate Research Opportunity Program Role: PI	2023 \$724
Summer Writing Award University of Michigan Health Behavior Health Education Role: Research Fellow	2021 \$10,000
Student Loan Interest Support University of Michigan Harold and Vivian Shapiro/John Malik/Jean Forrest Award Role: Fellow	2020 \$2,000
Training Award University of Michigan Institute for Social Research Role: Doctoral Trainee	2020 \$2,600
Predocutorial Research Award University of Michigan African Studies Center Role: PI	2020 \$2,000
Individual Fellowship for Predocutorial Research University of Michigan International Institute Role: PI	2020 \$2,000
Summer Writing Award University of Michigan Health Behavior Health Education Role: Research Fellow	2019 \$10,000
Grandparent roles in orphaned grandchild sexual health education in Central Kenya Graduate Research Award Global Health Institute Duke University Role: PI	2015 \$7,000
Sexual health education for orphaned children in Central Kenya Graduate Research Supplemental Award Duke University Center for International Studies Role: PI	2015 \$2,000
Adverse childhood experiences growing up in gang-affiliated families Fulbright Research Grant, El Salvador (I declined) Role: PI	2016 \$30,000

Proposals Under Review

Prevalence and Outcomes of Suicide-Related Tips in an Adolescent Anonymous Reporting System [NIMH R03] Role: PI	\$100,000
Implementation and Effect of School Cell Phone Policies in Michigan [CDC R01] Role: Co-I (Contact PI: Brian Jacob, MPI: Justin Heinze)	\$1,000,000
Substances, Behaviors, and Outcomes of Adolescent Reporting to a Statewide Technology-Facilitated Reporting System [NIDA R21] Role: PI	\$275,000

SELECTED MEDIA COVERAGE

The Trace (April 2025) What generation is most affected by gun violence?

Stop the Killing Podcast (November 2024) Anonymous reporting: Averting school tragedies.

NPR, Morning Edition (January 2024) 'Say Something' tip line in schools flags gun violence threats, study finds.

CNN (January 2024) Anonymous tips work to prevent school shootings and suicides, new study finds.

WBTV (January 2024) Study: Anonymous reporting systems working to keep kids safer at school.

Education Week (January 2024) Researchers analyzed years of reports to a school safety tipline. Here's what they learned.

Toledo Blade (September 2022) UM study explores positive behavioral effects of after-school program.

News Medical Life Sciences (November 2021) Electronic dating violence increases in preadolescence but curves as teens reach adulthood.

The Michigan Daily (November 2021) Adolescents are at a higher risk of experiencing online dating violence than young adults, UMich study finds.

The Next Edition (February 2021) Exposure to violence in adolescence linked with intimate partner violence study.

TEACHING & MENTORSHIP

Courses

HBHED 620: Behavioral Research Methods for Public Health, University of Michigan Role: Lead Instructor/Instructor on File	Fall 2023
HBHED 530: Survey Methods, University of Michigan Role: Lead Instructor/Instructor on File	Winter 2023
HBEHED 540: Reproductive Health, University of Michigan	Fall 2020

Role: Graduate Student Instructor

Yoga & Meditation, University of Michigan
Role: Graduate Student Instructor

Summer-
2019, Spring
2020

PSY 323S / GLHLTH 363S: Fundamentals of Global Mental Health, Duke
University
Role: Graduate Teaching Assistant

Fall 2015

GLHLTH 791: Epidemiology II, Duke University
Role: Graduate Student Course Development Assistant

Fall 2015

GLHLTH 210: Global Health Ethics, Duke University
Role: Graduate Teaching Assistant

Spring 2015

Workshop Instruction

Applied Natural Language Processing for Health Scientists and Practitioners: An
Introduction to Scraping, Cleaning, and Analyzing Social Media Text Data. Society
for Advancement of Violence and Injury Research (SAVIR), Denver, CO.

April 2023

Natural Language Processing Workshop Series, the Michigan Institute for Data
Science, Co-Instructors: Xuan Lu, PhD, Winston Wu, PhD

Fall 2022

Graduate Student Instructor Teaching Training, Center for Research on Learning
and Teaching, University of Michigan

Fall 2022

Invited Guest Lecturer

HBHEQ634 Child Health and Development: Pediatric Firearm Injuries and School
Opportunities to Enhance Youth Safety.

Fall 2024

HBHE 530 Techniques of Survey Research: Identity and Survey Research.

Fall 2024

HBHE680 Youth Violence Issues and Prevention: Dating & Sexual Violence:
Conceptualizations, Risk and Protective Features, and Opportunities for
Intervention across the Socioecological Model.
University of Michigan School of Public Health, Ann Arbor, MI.

Winter 2023

HBHE700 Advanced Quantitative Methods in Health Behavior: Survival Analyses.
University of Michigan School of Public Health, Ann Arbor, MI.

Fall 2022

HBHE700 Advanced Quantitative Methods in Health Behavior: Applying Latent
Growth Modeling to Identify Trajectories of Three Domains of Electronic Dating
Violence in Adolescence. University of Michigan School of Public Health, Ann
Arbor, MI.

Fall 2022

HBHE700 Advanced Quantitative Methods in Health Behavior: Using Social Media
to Understand Health and Wellbeing. University of Michigan School of Public
Health, Ann Arbor, MI.

Fall 2022

HBHE700 Advanced Quantitative Methods in Health Behavior: Trajectories of
Three Domains of Electronic Dating Violence in Adolescence: An Application of

Winter 2022

Latent Growth Curve Modeling. University of Michigan School of Public Health, Ann Arbor, MI.

HBHE800 Seminar in Health Behavior and Health Education: Doctoral Pathways & Mentor Relationships – Panelist. University of Michigan School of Public Health, Ann Arbor, MI. Fall 2021

HBHE530 Survey Methods: Survey Research in Global Settings and with Specific Populations – Panelist. University of Michigan School of Public Health, Ann Arbor, MI. Fall 2019

HBHE800 Seminar in Health Behavior and Health Education: Doctoral Pathways & Mentor Relationships – Panelist. University of Michigan School of Public Health, Ann Arbor, MI. Fall 2019

GLHLTH 363/PSY323/CULANTH323: Global (Mental) Health Career Paths. Job and industry talk for undergraduate public health, global health, and psychology majors, presented to Duke University, Durham, NC. Fall 2015

Academic/Research Mentoring

Esther Lee	Doctoral student, Health Behavior, School of Public Health, University of Michigan *Dissertation Committee Member	2024-present
Alex Mamonov	Undergraduate student, U.P. Scholars Program, University of Michigan	2023-present
Kaitlyn Gastineau	Undergraduate student, LSA, University of Michigan	2024-present
Akari Oya	Graduate student, LSA, University of Michigan	2024-2025
Lilah Bedell	Undergraduate student, LSA, University of Michigan	2024-2025
April Merriweather	Undergraduate student, LSA, University of Michigan	Summer 2024
Muhammad Salman	Graduate student, School of Education, University of Michigan	Summer 2024
Qiyun Teng	Undergraduate student, LSA, University of Michigan	Summer 2024
Advika Jhingran	Undergraduate student, Computer Science, University of Michigan	2022-2023
Siyang Wu	Undergraduate student, Computer Science, University of Michigan	2023-2023

INVITED PRESENTATIONS

Invited Presentations and Trainings

1. **Thulin, E.J.**, Stilwell, S., Murphy, D., Ley, A., Whitson, L. (2025). Improving Early Detection by Building an Attentive School Environment panel discussion, Michigan School Safety Initiative.
2. **Thulin, E.J.**, Stilwell, S., Schreiber, A. (2025). Preventing School Violence panel webinar, Gang Alternative Inc.
3. **Thulin, E.J.** (2025). Violence online: Cyber dating violence and emerging constructs of harm. Conference on ending sexual harassment and gender-based violence: Innovations in research and practice, University of Michigan, Ann Arbor, MI.
4. **Thulin, E.J.** (2025). Technology-facilitated anonymous or confidential reporting systems: opportunities for leveraging existing school-based systems to prevent adolescent suicide, Michigan Suicide Prevention Community Technical Assistance Conference (CTAC), Gaylord, Michigan.
5. **Thulin, E.J.** (2025). The state of firearm injury and prevention. Navigating the Complexities of Guns in Our Society, an educational conference hosted by Rotary Districts 6380, 6400, 6600, and Henry Ford College, Dearborn, Michigan.
6. **Thulin, E.J.** (2025). Technology-facilitated reporting systems: what they are, how youth use them to disclose suicidality, and opportunities to enhance connections to clinical care. MIAAP: Bridging the gap for adolescent suicide prevention, Michigan Chapter of the American Academy of Pediatrics, virtual webinar.
7. **Thulin, E.J.** (2025). Identifying, defining and measuring missing constructs from online dating violence behavior. Sexual and Gender-Based Violence Research Incubator, University of Michigan, Ann Arbor, MI.
8. **Thulin, E.J.** & French, A. (2025). Opportunities for Firearm Injury Prevention through Anonymous Reporting Systems. Impact of Mass Shootings on Youth, The Joyce Foundation, Virtual Webinar.
9. **Thulin, E.J.** (2024). Preventing Firearm Injury: The Role of Evidence-Based Research. AAUW Northville-Novis Meeting, Novi, Michigan.
10. **Thulin, E.J.** (2024). Enriching your education through research opportunities. October Superior Seminar, U.P. Scholars Program, University of Michigan, Ann Arbor Michigan.
11. **Thulin, E.J.**, Stilwell, S., Morris, D., & Jasinski, L. (2024). Gun violence prevention advocacy panel. Panel at Grosse Pointe Library, Grosse Pointe Michigan.

12. **Thulin, E.J.** (2024). Evaluating school-based injury prevention reporting systems: A call for enhanced computational and clinical engagement. Keynote speaker, Albert J. Silverman Research Symposium, Michigan Medicine, Ann Arbor Michigan.
13. **Thulin, E.J.** (2024). Longitudinal effects of cyber dating violence on depressive symptoms and delinquent behaviors across adolescence. NIH Matilda White Riley Behavioral and Social Sciences Honors, National Institutes of Health, Bethesda Maryland.
14. **Thulin, E.J.** (2024). Applications of natural language processing to text from a state-wide tip line. SAVIR Spring Methods Spotlight Session: Machine Learning, Virtual.
15. French, A., & **Thulin, E.J.** (2023). Youth violence prevention programs with anonymous reporting systems: a Consideration of data, student safety, and program implementation and efficacy. Short course at the Society for Advancement of Violence and Injury Research (SAVIR), Denver, CO.
16. **Thulin, E.J.** (2022). Applications of NLP: Moving from computation to application. IEEE, University of Michigan, Ann Arbor, MI.
17. **Thulin, E.J.** (2022). Sexualized violence: Sexual assault, aggression and abuse in collegiate contexts. Invited presenter at the Healthy Minds Research Symposium, Ann Arbor, MI.
18. Schlissel, M., Washington, E., Lewis, E., Cunningham, R., **Thulin, E.** (2021). Crucial conversations for societal change: Reflection, research & resolve – invited panellist at the University of Michigan, Ann Arbor, MI.
19. **Thulin, E.J.** (2019). So, you want to earn a PhD? A Crash course on applying to PhD programs in public health. Invited presenter at the Resource Rodeo, University of Michigan School of Public Health, Ann Arbor, MI.
20. **Thulin, E.J.** (2017). Applied (qualitative) research. Presentation to Duke Global Health Institute master's students on use and application of qualitative research in international projects and careers, Durham, North Carolina.
21. **Thulin, E.J.** (2017). MS global health research: Making the most of your degree. Career talk to MSc students, identifying careers of interest, developing necessary skill set, and application tips, Duke University, Durham, North Carolina
22. **Thulin, E.J.** (2016). Crash course on social research: Planning and executing a study. Invited presenter on social research methods and planning of a study to Eco2librium staff and management, Kakamega, Kenya.
23. **Thulin, E.J.**, Mwaniki, I., Ronoh, O., & Ayuku, D. (2015). Grandparents talking to grandchildren. Oral presentation of research findings at a local community dissemination meeting, Eldoret, Kenya.
24. **Thulin, E.J.** & Achieng, H. (2015). Type 1 Diabetes - A village to help a child. Oral presentation on Type 1 Diabetes symptom identification, Moi Teaching and Referral Hospital, Sally Test Center, Eldoret, Kenya.

(2024) Differential use of generative AI by higher education students: Early warning signs for exacerbated disparities. Lightning talk at 2024 Academic Data Science Alliance (ADSA) Annual Meeting, University of Michigan, Ann Arbor, MI.
5. *Hartman, H.A., **Thulin E.J.**, Seewald L., *Hans Z., Carter P.M., Coughlin L. (2024). Female adolescent firearm-carriage: Trends and correlates from a national study. Oral Presentation at Society for Advancement of Violence and Injury Research (SAVIR) Annual Conference, Chapel Hill, NC.
6. **Thulin, E.J.**, & Heinze, J.E. (2023). Ghosting and gaslighting in adolescents: Missing constructs from online behavioral research. Oral presentation at the Promoting Research in Social Media and Health Symposium (PRISM), San Francisco, CA. ***Best Rapid-fire Presentation by a Trainee Award**
7. **Thulin, E.J.**, French, A., Messman, E., Masi, R., & Heinze, J.E. (2023). Firearm-related tips in a statewide school anonymous reporting system: Prevalence, urgency, and form of violence using natural language processing. Oral presentation, National Research Conference for the Prevention of Firearm-Related Harms, Chicago, IL.
8. **Thulin, E.J.**, [group abstract moderator], Heinze, J., Messman, E., Hsieh, H.F., *Scott, B.A., & *Lee, E. (presenters). (2023). Reducing the risk of injury in schools: Empirical studies on efficacy and implementation of Sandy Hook Promise violence prevention and intervention programs. Moderator/chair of group symposium presentation at the Society for Advancement of Violence and Injury Research (SAVIR), Denver, CO.
9. **Thulin, E.J.**, Kusunoki, Y., Kernsmith, P.D., Smith-Darden, J., Grogan-Kaylor, A., Zimmerman, M.A., & Heinze, J. (2023). Delineating forms of cyber dating violence on depressive symptoms and delinquent behaviors in adolescence. Oral presentation at Society for Advancement of Violence and Injury Research (SAVIR), Denver, CO.
10. **Thulin, E.J.**, Zhou, S., Heinze, J., & Lipson, S. (2023). Suicidality in college-attending American Indian and Alaskan Native students: Risk and protective factors. Oral presentation at Society for Advancement of Violence and Injury Research (SAVIR), Denver, CO.
11. **Thulin, E.J.**, Zhou, S., Heinze, J., & Lipson, S. (2023) Risk and protective factors of suicidal ideation in American Indian/Alaskan Native emerging adults. Oral presentation at the Suicide Research Symposium Annual Conference. Virtual.

12. **Thulin, E.J.**, & Heinze, J.E. (2021). Electronic teen dating violence prevalence by age and association with forms of cyberbullying victimization and perpetration in a nationally representative sample. Injury Prevention Center 2nd Annual Research Symposium, Virtual.
13. **Thulin, E.J.**, Heinze, J.E., & Zimmerman, M.A. (2020). Adverse childhood experiences (ACEs) during adolescence: Evidence for prospective effects on health and violence in adulthood. Presenter at the American Public Health Association Annual Conference *CDC panel: Examining the Effects of Violence and other Adverse Events across the Lifespan*, San Francisco, CA, virtual panel presentation.
14. **Thulin, E.J.** (2020). Chronic illness, travel and adventure: Individuals, companies and industry. Invited presenter at the Association of Outdoor Recreation and Education Annual Conference, virtual presentation.
15. Lira, N., Novak, N., **Thulin, E.J.**, & Stern, A.M. (2020). Studying America's eugenics era through an ELSI Lens: Data, context, and relevance. Panel presentation at the Ethical, Legal and Social Implications Research Program (ELSI) virtual panel.
16. **Thulin, E.J.** (2020). The intersection of violence, gender, and culture and implications for developmental trajectories. Research talk at the Child Health Evaluation and Research Center Susan B. Meister Best Paper in Childhood Policy Virtual Meeting.
17. **Thulin, E.J.** (2019). Patterns of dating violence in a population of Southeast Michigan teens. University of Michigan School of Public Health, Health Behavior Health Education fall colloquium series, Ann Arbor, MI.
18. **Thulin, E.J.** & Golub, G. (2017). Conducting impact evaluations in Kenya for more than 10 years. Presentation on program measurement and impact evaluation at the Red Cross/Red Crescent Global Innovation Accelerator Studio conference, Nairobi, Kenya.
19. **Thulin, E.J.** (2017) Sexual health and risk communication to OVC cared for by grandparents. Presentation at the Center for Disease Control and Kenya Medical Research Institute on sexual health and risk communication between primary caregiver grandparents and orphaned/abandoned grandchildren, Kisumu, Kenya.
20. Sevalie, S., **Thulin, E.J.**, McLean, K., & Betancourt, T.S. (2016). Understanding locally, culturally, and contextually relevant mental health problems among children in Sierra Leone. Presentation at the International Peace Research Association Annual Conference, Freetown, Sierra Leone.
21. **Thulin, E.J.**, McLean, K., Collet, K.E., & Betancourt, T.S. (2016). Understanding locally, culturally, and contextually relevant mental health problems among children in Sierra Leone. Presentation at the World Health Organization meeting on *Mental Health Funding and the Sustainable Development Goals: What next and who pays?*, Freetown, Sierra Leone.

Peer-Reviewed Poster Presentations

28. **Thulin, E.J.**, McLean, K., Sevalie, S., Akinsulure-Smith, A., & Betancourt, T. (2020). Mental health problems among children in Sierra Leone: Assessing cultural concepts of distress. Society for Research on Adolescence, San Diego, CA. [conference cancelled due to COVID-19]
29. **Thulin, E.J.**, Trevino, T., & Novak, N. (2020). Institutional Sterilization Frequency and Public Perception in the New York Times during the 20th Century in the United States. Poster presentation, Data for Public Good, Ann Arbor, Michigan.
30. Eisman, A. Lee, D., **Thulin, E.**, Reischl, T. Franzen, S., & Zimmerman, M.A. (2018). Evaluating the long-term effectiveness of the Youth Empowerment Solution (YES) Intervention on violent behavior. Poster presentation, American Public Health Association Annual Conference, San Diego, California.
31. McGill Rogers, T., **Thulin, E.J.**, Fine, S., Collet, K., Brennan, R.T., Betancourt, T.S. (2016). Adapting a Mental Health Intervention for War-Affected Youth through Employment Programs in Sierra Leone. Poster presentation, Inaugural International Symposium Women in Leadership Empowering Girls through Education and Training: Discussions from a Global Perspective, Boston, MA.
32. **Thulin, E.J.**, Mwaniki, I., Ronoh, O., & Puffer, E.S. (2015). Communication Behavior and Desire for Communication Across Grandparents and Grandchildren. Poster presentation, Center for AIDS Research Fall Scientific Retreat, Durham, NC.

LEADERSHIP, SERVICE & ADVOCACY

Department, School, or Institute Leadership Positions

2024 – present	Committee Member Community Engagement Core, Institute for Firearm Injury Prevention, University of Michigan
2019 – 2021	Board President School of Public Health Doctoral Student Board (SPhD), School of Public Health, University of Michigan
2020	Steward Graduate Employees' Organization (GEO), University of Michigan
2018 – 2019	Board Member School of Public Health Doctoral Student Board (SPhD), University of Michigan

Professional Society Roles

2024 – present	Scientific and Technical Instruction Committee Member The Society for the Advancement of Violence and Injury Research (SAVIR)
2023 – present	Organizing Committee Member Promoting Research in Social Media and Health Research (PRISM)

Scientific Funding Review

Spring 2025	Ad hoc Reviewer Social Psychology, Personality and Interpersonal Processes (SPIP) Study Section, Center for Scientific Review, National Institutes for Health
-------------	---

Scientific Conference Organizing Roles

2023 – 2024	Organizing Committee Member Albert J. Silverman Research Conference, Department of Psychiatry, Michigan Medicine, Ann Arbor MI
2023	Oral Session Facilitator National Research Conference for the Prevention of Firearm-Related Harms, Chicago IL
2022	Organizing Committee Member Datatopia: The Future of Scientific Discovery Through a Data Lens, Michigan Institute for Data & AI in Science (MIDAS), University of Michigan, Ann Arbor MI
2022	Annual Data Science & AI Summit Poster Judge University of Michigan, Ann Arbor MI
2022	Undergraduate Research Symposium Poster Judge University of Michigan, Ann Arbor MI
2021	Undergraduate Research Symposium Poster Judge University of Michigan, Ann Arbor MI

Scientific Conference Abstract Review

2023, 2024	Scientific Conference Abstract Reviewer Promoting Research in Social Media and Health Research (PRISM), University of California San Francisco, San Francisco CA
2024	Scientific Conference Abstract Reviewer National Research Conference for the Prevention of Firearm-Related Harms, Seattle WA
2021	Scientific Conference Abstract Reviewer American Public Health Association, Denver CO [moved to virtual due to COVID-19]

Academic Journal Peer-Review

2020-2025	Invited Ad-hoc Manuscript Reviewer American Journal of Preventive Medicine, Journal of Interpersonal Violence, Health Education & Behavior, PLOS One, Child and Adolescent Psychiatry and Mental Health, Violence Against Women, Youth & Society, Injury Epidemiology, Women's Midlife Health, Journal of Family Violence, Drug and Alcohol Dependence
-----------	---

Practice & Advocacy

2025 - present	National Research Advisory Council (NRAC) member
----------------	--

	Sandy Hook Promise Foundation
Summer 2021 – Summer 2022	Title IX Coordinator Advisory Committee member, University of Michigan, Ann Arbor, MI
Fall 2020	Congressional Global Health Day asks to Congress and the House, Wyoming Representative and lead/sole presenter, virtual
Fall 2019 – Winter 2020	SafeHouse domestic violence support group facilitator, Washtenaw County, MI
Summer 2020	Central Wyoming College Bridge Program mentor, Jackson, WY
Fall 2014	Girls on the Run coach, Durham, NC
Summers 2011, 2012, 2013, 2015, 2018	Type 1 Diabetes Camp Hodia volunteer counselor, Stanley, ID

OTHER RESEARCH POSITIONS

Academic Research	
Postdoctoral Data Science Research Fellow	2022-2023
Applied Natural Language Processing Michigan Institute for Data Science, University of Michigan	
Postdoctoral Research Fellow in Addiction Science	2022-2023
Alcohol and Substance Use Department of Psychiatry, Michigan Medicine, University of Michigan Funding Source: National Institute for Alcohol Abuse and Alcoholism (T32-AA00747-29) PI Blow	
Graduate Student Biostatistician	2021-2022
Intimate Partner Violence during COVID-19 University of Michigan School of Social Work Funding Source: Startup funds School of Social Work, University of Michigan and Institute of Research on Women and Gender, PI Fedina	
Graduate Research Associate	2019-2022
Strengthening Supports for Healthy Adolescent Relationships and Environments University of Michigan School of Public Health, Health Behavior & Health Education Funding Source: Eunice Kennedy Shriver National Institute of Child Health & Human Development (NICHD; R03-HD095053), PI Fleming	
Graduate Research Fellow	2019-2022
Research Data for the Public Good: Open Data Toolkit based on Diversity, Equity, Inclusion, and Access University of Michigan Library Services Funding Source: LYRASIS, ALA Diversity Research Grant PI Woodbrook	

Graduate Student Research Associate Reproductive Sterilization and Social Justice Lab (20 th Century Eugenics) University of Michigan, History, Women's Studies, and Obstetrics Funding Source: National Human Genome Research Institute (R01-HG010567) PI Stern	2019-2022
Graduate Student Research Associate Youth Empowerment Solutions for Healthy Relationships: Engaging Youth to Prevent Sexual Violence Wayne State University Funding Source: National Center for Injury Prevention and Control (5U01-CE002843) PI Kernsmith, Co-PIs Smith-Darden & Zimmerman	2020-2021
Graduate Student Research Assistant Flint Adolescent Study University of Michigan School of Public Health, Health Behavior & Health Education Funding Sources: National Institute on Drug Abuse (R01-DA035811) PI Zimmerman and NICHD(R03-HD083397-01) PI Heinze.	2018-2019
Graduate Research Assistant Child & Family Mental Health Lab Duke University Psychiatry & Psychology Department & Global Health Institute Funding Source: Duke Research Start Up Funds, PI Puffer	2014-2015
Undergraduate Research Assistant Laboratory for Child Development Johns Hopkins University Funding Source: Eunice Kennedy Shriver National Institute of Child Health & Human Development (NICHD) R01-HD057258 MPIs Feigenson & Halberda	2011-2013
Applied/Field-Based Research	
Applied Research Consultant* School Safety and Suicide Prevention Sandy Hook Promise Foundation, Remote (USA)	2021-2023
Research Manager* Encouraging Multilingual Early Reading as the Groundwork for Education Innovations for Poverty Action and the World Bank, Kisumu/Nairobi, Kenya Funding: World Bank Strategic Impact Evaluation Fund, Echidna Giving, World Bank Early Learning Partnership, PI Ozier	2016-2018
Consumer Behavior Research/Data Management Consultant Eco2librium LLC, Kakamega, Kenya	2016
Behavioral Science Project Manager*, Harvard T.H. Chan School of Public, Freetown, Sierra Leone Funding: NICHD (R01-HD073349), PI Betancourt	2016
Development Consultant, KILNS Kenya (Rural Business Infrastructure Micro-Lender), Kakamega, Kenya	2015
Project Manager*	

Vumilia Community Based Organization, Kakamega, Kenya
Funding: Sarita Kennedy Foundation, Swiss AIDS & Child Foundation
**Denotes positions where I led grant writing and/or management.*

2013-2014

SPECIALIZATION TRAININGS

Fall 2022 – Spring 2023	Rackham Professional Development Diversity, Equity, and Inclusion Certificate Program, University of Michigan
Summer 2022	Data Science Bootcamp for Biomedical Scientists, University of Michigan
Summer 2020	Inter-university Consortium for Political and Social Research Data Science & Text Analysis, University of Michigan
Summer 2019	Michigan Institute for Data Science Big-Data Data Camp, University of Michigan
